1. Preamble

- 1.1. It is required of the Municipal Manager as the accounting officer, to take all reasonable steps to ensure that the Council has and implements crucial policies for effective financial and risk management as stated in Section 55 (2) (b) of the Municipal System Act 32 of 2000.

*55 (2) As accounting officer of the municipality the municipal manager is responsible and accountable for –
(b) all assets and the discharge of all liabilities of the municipality;*

- 1.2. The safeguarding of assets and the protection of Council against liabilities, forms part of proper assets & insurance management systems as prescribed by Section 63 of the Municipal Finance Management Act, Act 56 of 2003

63 (1) The accounting officer of a municipality is responsible for the management of—

- (b) the liabilities of the municipality.*
(2) The accounting officer must for the purposes of subsection (1) take all reasonable steps to ensure—
(a) that the municipality has and maintains a management, accounting and information system that accounts for the assets and liabilities of the municipality;
(b) that the municipality's assets and liabilities are valued in accordance with standards of generally recognised accounting practice; and
(c) that the municipality has and maintains a system of internal control of assets and liabilities, including an asset and liabilities register, as may be prescribed.

- 1.3. This policy needs annual revision in terms of Section 24(2)(c)(v) and must be placed on the website in terms of Section 75(1)(b),(l) & (2) of this Act.

*24. (2) An annual budget—
(c) must be approved together with the adoption of resolutions as may be necessary—
(v) approving any changes to the municipality's budget-related policies.*

*75. (1) The accounting officer of a municipality must place on the website referred to in section 21A of the Municipal Systems Act the following documents of the municipality:
(b) all budget-related policies;
(l) any other documents that must be placed on the website in terms of this Act or any other applicable legislation, or as may be prescribed.*
(2) A document referred to in subsection (1) must be placed on the website not later than five days after its tabling in the council or on the date on which it must be made public, whichever occurs first.

- 1.4. A standard for short-term insurance in the municipal environment had been prepared that takes all circumstances related to the municipality into account. There are however aspects in addition to this standard, that the Council can decide on as policy, in order to reduce premium without an increase in risk, or where the Council is prepared to accept risk because of a very slim probability that an event might occur.
